Date:

Signature of the Applicant

Organizing Committee

Chief Patron:
Prof. A. Venugopal Reddy
Vice-Chancellor, JNTUH

Patrons:
Prof. N.V Ramana Rao, Rector, JNTUH
Prof. N. Yadaiah, Registrar, JNTUH

Chairman:
Prof. A Govardhan, Principal, JNTUHCEH

Co-Chairman:
Prof..P.Srinivasa Rao, Vice-Principal, JNTUHCEH
Prof.. G.N.Srinivas, Head of EEE, JNTUHCEH
Sri PCS Reddy, Chief Manager, Power Grid

Coordinator:
Dr. M. Surya Kalavathi, Prof. of EEE, JNTUHCEH

Advisory Committee

Prof. Manjula Vani K, Head, CE
Prof. J Suresh Kumar, Head, ME
Prof. .M.Asha Rani, Head, ECE
Prof. V.Kamakshi Prasad, Head, CSE
Prof. S.Devaki Rani, Head. Mt.E
Prof. B. RamaDevi, Head, Chemistry
Prof. M A Srinivas, Head, Mathematics
Prof. S. Venkateswara Rao, Head, Physics

Organizing Committee

Dr.G.Tulasi Ram Das, Professor, EEE
Dr.S.S.Tulasi Ram, Professor, EEE
Dr.B.V.Sanker Ram, Professor, EEE
Dr.M.Viswanadham, Professor, CE
Dr.K.Vijaya Kumar Reddy, Professor, ME
Dr.L.Pratap Reddy, Professor, ECE
Dr.O.B.V.Ramanaiah, Professor, CSE
Dr.M.Sushama, Professor, EEE
Dr.S.Tara Kalyani, Professor, EEE
Dr.A.Raghu Ram, Professor, EEE
Dr.A.Jaya Lakshmi, Professor, EEE
Sri.P.Venkata Narayana, Asst. Prof., EEE
Dr.K.Bhaskar, Asst. Prof., EEE
Dr.K.H.Phani Sree, Asst. Prof., EEE
Sri.D.Kiran Kumar, Asst. Prof., EEE

In association with

Power Grid Corporation of India Ltd. Secunderabad

About JNTUHCEH

The College was established as Nagarjuna Sagar Engineering College in 1965 by the Government of Andhra Pradesh. When the college was under the administrative control of the Department of Technical Education, it was affiliated to Osmania University, Hyderabad. With the formation of Jawaharlal Nehru Technological University on 2nd October 1972, it became a constituent college of the University and was later renamed as JNTUH College of Engineering, Hyderabad. From its inception in 1965 to 1984, the College was shifted to its permanent location at Kukatpally, a 100 acres site, about 20 km from the heart of the City, on Bombay National Highway (NH-9). College has 6 branches; they are Computer Science Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Civil Engineering, Mechanical Engineering and Metallurgical Engineering.

About Power Grid

Power Grid Corporation of India Limited (POWERGRID) is an enterprise of Government of India dealing with building, operating and maintaining the bulk power transmission of the country. It is also the Central Transmission Utility (CTU) of the country and Navaratna PSU. Apart from providing transmission system for evacuation of central sector projects & various independent power producers and grid strengthening scheme assigned to it, the company is also responsible for establishment and operational power grids to facilitate transfer of power within and across the regions.

Central Vigilance Commission being the apex integrity institution of the country has been striving to promote transparency, probity and integrity in public life. One of the outreach measures to promote these values in various Central Government offices and public sector undertakings is the observance of Vigilance Awareness Week every year wherein all the stake holders are encouraged to fight corruption.

As a part of this year's activity during Vigilance Awareness Week, POWERGRID through the JNTUH College of Engineering Hyderabad is organizing this seminar.

About the Seminar

Corruption unfavorably influences nation's monetary improvement and accomplishment of formative objectives. It advances uneconomical aspects in use of assets, contorts the business sectors and involves quality. It is trusted that, effectiveness and objectivity in administration hold the way to destruction of defilement from open life and for this reason; it must be guaranteed that, straightforward and foolproof frameworks and strategies are set up which give suitable responsibility at each level of hierarchy in public organization.

One of the powerful methods for battling debasement out in the open life is through appropriation of technological activities, for example, e-administration that can alleviate absence of straightforwardness, bulky strategies and postponements in basic leadership. Basically, this seminar is engaged to evaluate the present levels of technological activities that have been received in not so distant future to downscale the vulnerability of corruption out in the open life.

Benefit

The ultimate benefit of attending this seminar will be to gain awareness on the role of public participation improving integrity and eradicating corruption. It provides scope for adoption of relevant technological initiatives in their respective organizations to fight against corruption. Awards will be presented to the winners of best paper on the theme in the categories of faculty members and students separately.

Participants

The participants primarily include public servants, administrating officers, faculty members and technologists, Exclusive student session (JNTUHCEH) will start at 3.30 PM onwards.

Registration

The program is sponsored by the POWERGRID. It is offered to a limited number of participants (200 only) on first come first serve basis. Only the short listed and invited candidates are allowed to attend. No TA/DA and no accommodation will be provided. Refreshments, working lunch and a participation certificate will be provided. No registration fee.

How to apply

The filled in registration forms may sent to the coordinators in person/ by post/ through E-mail on or before 2nd November 2016.

E-mail:munagala12@jntuh.ac.in

Venue

UGC Auditorium, JNTUHCEH,
Kukatpally, Hyderabad-500 085.
