Dr. P Naveen

M.Tech(Structural Engineering)(special concrete),JNTUAH Engineering College, JNTU , Hyderabad,AP, India

Professor & Head

Civil Engineering

Areas of Interest

- Structural Analysis & Design, Maintenance & Management,
- Advanced Concrete Technology,
- Quality Control & Quality Assurance
- Advanced Structural Analysis
- Structural Mechanics, Advanced Structural,
- Advanced Concrete Technology
- Advanced Design, Maintenance and Rehabilitation Bridges

Dr. P. NAVEEN
Professor & Head
Department of Civil Engineering
Vignana Bharathi Institute of Technology
Aushapur, 501301
Cell: 9866166466
Dr. P. NAVEEN is currently a Professor and Head of the Civil Engineering,VBITHEIGN.
He completed his M.Tech(Structural Engineering) (Special concrete) in Civil Engineering, JNTU from JNTU of Hyderabad. He. Accepted the university with the projects and development activities.
also handled R. Mach projects, BE M.Tech projects like dam, DPMS complexes, sun substitute Mach Industries Business Primary R.TMACL and . participated in numerous persons for training faculty across the country. She is a substitute for VSBC Trader centre. E.of JNTU Hyderabad. E.Tech.work Design in JNTUH of Civil engineering department,teaches NJV-101-103 ,dp,ma-11,cons of teaching experience.

Academic Profession

Academic Qualifications

- M.Tech (Structural Engineering)(special concrete) , JNTU , Hyderabad,2008-09(1-3)
- B.Tech (Civil Engineering)(Construction Engineering) , JNTU , Hyderabad,2006-08(1)
- Diploma in Technology in Civil Engineering , JNTU , Hyderabad,2003-2007(1)

Professional Experience

Teaching Experience

- Assistant Professor, JNTU , Hyderabad,2008 - Till Date(1)

Publications

CONFERENCE ZAMANDIN: NATURAL PERFORMAL CLAIMTO

Profile Report Generated
Prepared by Dr. P. Naveen
Professor & Head, Civil Engineering
Vignana Bharathi Institute
Quality Control Test

Quality Control Test	Test Conducted Date	Remarks
Cement	10-12-2010	Good
Fine Aggregate	10-12-2010	Good
Coarse Aggregate	10-12-2010	Good, 20mm and 40mm
Water	10-12-2010	Good, Potable water
Bricks	10-12-2010	Good, Compressive Strength
Steel	10-12-2010	Good

Dr. Vinod Kumar
Professor & Chairman
Member, Professional Institutes
Department of Civil Engineering,
Indian Institute of Technology Madras
Chennai - 600036

EDUCATION
1. B.E. (Civil) Hons. (Gold Medal) Engineering (special course) (C.G.P.A. 9.5/10) Gulbarga University, Gulbarga, India, 1980
2. M.E. (Structural Engineering) (Gold Medal) Gulbarga University, Gulbarga, India, 1982
3. Ph.D. (Structural Engineering) Indian Institute of Technology Madras, Chennai, India, 1987

PROFESSIONAL EXPERIENCE
1987 - Present
Professor, Department of Civil Engineering, Indian Institute of Technology Madras, Chennai, India
1987 - 1989
Visiting Scientist, Department of Transportation Engineering, University of Illinois at Urbana-Champaign, Illinois, USA
1982 - 1984
Lecturer, Department of Civil Engineering, Gulbarga University, Gulbarga, India

ACADEMIC EXPERIENCE
1987 - Present Professor in Charge Centre for Transportation Engineering, Indian Institute of Technology Madras, Chennai

Teaching	Courses	Research
Pre-P.G. Postgraduate	Pavement Analysis & Design Transportation Engineering Highway Materials Advanced Pavement Analysis Advanced Transportation Engineering Advanced Highway Materials Advanced Pavement Design Advanced Transportation Systems Management Advanced Traffic Management Advanced Highway Engineering Advanced Pavement Materials Advanced Pavement Maintenance Advanced Pavement Rehabilitation Advanced Highway Maintenance Advanced Highway Rehabilitation Advanced Highway Safety Advanced Pavement Evaluation Advanced Pavement Management Advanced Highway Management Advanced Highway Safety Advanced Pavement Evaluation Advanced Pavement Management Advanced Highway Management Advanced Highway Safety	Highway Materials Highway Maintenance Highway Rehabilitation Highway Safety Highway Management Highway Safety Highway Maintenance Highway Rehabilitation Highway Safety Highway Maintenance Highway Rehabilitation Highway Safety Highway Maintenance Highway Rehabilitation Highway Safety Highway Maintenance Highway Rehabilitation Highway Safety

ADMINISTRATIVE EXPERIENCE
Member, Institute Council
Member, Institute Senate
Member, Institute Academic Committee
Member, Institute Research Committee
Member, Institute Library Committee
Member, Institute Hostel Committee
Member, Institute Sports Committee
Member, Institute Canteen Committee
Member, Institute Medical Committee
Member, Institute Transport Committee
Member, Institute Guest House Committee
Member, Institute Campus Development Committee
Member, Institute Campus Development Committee
**Member, Institute Campus Development
