

## **Campus Ambassador Programme**

Entrepreneurship Development Cell, Jawaharlal Nehru Technological University Hyderabad and [Entrepreneurship Cell, IIT Kharagpur](#), is recruiting Campus Ambassadors for the session 2013-2014. Check out the related to Campus Ambassadors Programme given below.

There is no single characteristic that makes up an Ideal E-Cell Campus Ambassador. We look for enthusiasm, drive and, of course, plenty of creativity. We look for leaders-students who are motivated enough to master the change they need to bring. Students who can make things happen on their campus; students who can inspire their peers, collaborate with administrators and campus organizations, and produce results. This is more than just a college job, it's a chance to develop and grow as an individual's while adding an incredible line to your resume. Sound like you?

Ambassadors help in the planning and hosting of the Entrepreneurship Awareness Drive and act as a Campus contact for E-Cell Teams.

### **Responsibilities of E-Cell Campus Ambassadors:**

- Work closely with E-Cell Associate Members team.
- Help Extensively in the publicity of Entrepreneurship Awareness Drive in your campus
- Help in the Publicity of our Business Plan Competitions and Global Entrepreneurship Summit 2014.
- Help E-Cell to better understand your campus culture and build relationships on campus with faculty and students groups.
- Serve as a strategic link between your college and both E-Cells IIT-Kharagpur and E-Cell JNTUH.
- Assist E-Cell Team on organizing the EAD in your College.
- Make people aware of E-Cell IIT-KGP and E-Cell JNTUH through social Media and other resources you have and share the latest happenings among your network.

### **Benefits to Campus Ambassadors:**

- Certificate of Appreciation at the end of your tenure.
- Recognition of active campus ambassadors.
- Add the E-Cell Campus Ambassadors program experience to your resume.
- Enhance your professional development, Leadership, and Communications skills
- Build relationships with Ambassadors from other colleges and disciplines
- An opportunity to network with startups, Entrepreneurs, VCs and the E-Cell team.
