National Conference

on

Frontiers of Chemical Research - 2013 (NCFCR - 2013)

25th & 26th OCTOBER, 2013

Organized By

Department of Chemistry
Jawaharlal Nehru Technological University Hyderabad
JNTUH College of Engineering,
Kukatpally, Hyderabad - 500085.

About the College

The JNTUH College of Engineering, Hyderabad was initially established as Nagarjuna Sagar Engineering College in 1965 by the Government of Andhra Pradesh at Masabtank, Hyderabad. Later in 1984, the College was shifted to its present and permanent location at Kukatpally, Hyderabad. The College has been recognized as a well performing institution and has been granted Autonomous Status by UGC and Accredited by NBA (AICTE), New Delhi. Activities in the College include faculty development and training, teaching to UG & PG programmes in Engineering and Science disciplines and research & consultancy services besides other developmental activities.

About the Department

The Department of Chemistry is one of the oldest Departments established since inception of the College and is actively engaged in teaching chemistry to B. Tech. 1 yr & M. Sc Students and research in the fields of Organic Chemistry, Analytical Chemistry, Inorganic Chemistry & Applied Chemistry, leading to Ph. D degrees. It is funded by JNTUH, UGC, CSIR & DST for its Research activities.

About the Conference

The conference is aimed at providing a platform to share ideas on Research and Developments in different fields of Chemistry being carried out in Academics & Industry. The Conference includes invited lectures by eminent Professors and Researchers from different parts of the Country and paper presentations by Research Scholars, Faculty & Scientists from academic institutions, Research Labs and R & D labs of Industries. The Conference also provides an opportunity for the students, research scholars, faculty members and persons from industries for participation & interaction with eminent professors and scientists to enrich their knowledge.

Resource Persons

Reputed Faculty & Scientists from well-known Universities, CSIR Labs and established R & D units of industries will be the resource persons.

Paper Presentation

Abstract of the papers for Poster Presentation, in different areas of Chemistry are invited, which should clearly indicate the title of the paper followed by names of the authors (corresponding author should be indicated by asterisk and the author presenting paper should be underlined) followed by the affiliations of the authors. The abstract should not exceed 100 words, without any tables & diagrams. Only Registered delegates will be permitted to attend the Conference and present the papers.

The abstracts are to be e-mailed to ncfcr2013@gmail.com. After acceptance of the abstract, full paper of the same may be presented as poster at the Conference.

Who should attend
