

JNTUH COLLEGE OF ENGINEERING : KUKATPALLY : (AUTONOMOUS)
M.TECH.(DT) I – SEMESTER END EXAMINATIONS, JANUARY'2014

EXAMINATION TIME -TABLE

EXAM TIMINGS: 10.00 AM - 1.00PM

BRANCH	20-01-2014 Monday	22-01-2014 Wednesday	24-01-2014 Friday	27-01-2014 Monday	29-01-2014 Wednesday	31-01-2014 Friday
STRUCTURAL ENGG.	Adv. Concrete Technology	Theory of Elasticity and Plasticity	Analysis of Plates & Shells	Advanced Reinforced concrete Design	Computer Oriented Numerical Methods	Advanced Structural Analysis
GEO-TECH. ENGINEERING	Soil Dynamics & Machine Foundation	Adv. Foundation Engineering	Advanced Soil Mechanics	Numerical Methods for Geo-Tech. Engineering	Geo-Environmental Engineering	Engineering of Ground
INFRA-STRUCTURE	Adv. Concrete Technology	Geo-Techniques for Infrastructure	Construction Management-I	Water Resources Planning & Management	Computer Oriented Numerical Methods	Advanced Structural Analysis
ELECTRICAL POWER ENGINEERING	Advanced Power system Analysis	High Voltage DC Transmission	Modern Control Theory	Advanced Power system Protection	High Voltage Engineering	Renewable Energy Systems
POWER ELECTRONICS	Machine Modeling Analysis	High Voltage DC Transmission	Modern Control Theory	Solid State Power Converters-I	Optimization Techniques	Renewable Energy Systems
A.M.S.	Design for Manufacturing & Assembly	Optimization Techniques & Applications	Automation in Manufacturing	Production & Operations Management	Advanced CAD	Theory of Metal Cutting & Tool Design
THERMAL ENGG.	Non – conventional Energy sources	Adv. Internal Combustion Engines	Adv. Heat & Mass Transfer	Advanced Fluid Mechanics	Turbo machines	Advanced Thermodynamics

Contd....2

**JNTUH COLLEGE OF ENGINEERING : KUKATPALLY : (AUTONOMOUS)
M.TECH.(DT) I – SEMESTER END EXAMINATIONS, JANUARY'2014**

EXAMINATION TIME -TABLE
EXAM TIMINGS: 10.00 AM - 1.00PM

-2-

BRANCH	20-01-2014 Monday	22-01-2014 Wednesday	24-01-2014 Friday	27-01-2014 Monday	29-01-2014 Wednesday	31-01-2014 Friday
ENGINEERING DESIGN	Mechanical Behavior of Engineering Materials	Computer Aided Manufacturing	Advanced Mechanics of Machinery	Advanced Mechanics of Solids	Geo-Metric Modeling	Instrumentation & Control systems
MECHATRONICS	Applied Industrial Pneumatics	Applied Industrial Hydraulics	Automation in Manufacturing	Adv. CNC Technologies	Instrumentation & Sensor Technology	Industrial Electrical & Electronics
D.S.C.E.	Digital System Design	VLSI Technology & Design	Adv. Data Communications	CPLD & FPGA Architecture Applications	Microcontroller for Embedded system Design	Network Security & Cryptography
S.S.P.	Bio Medical Signal Processing	Random Processes & Time Series Analysis	Adv. Data Communications	Transform Techniques	Adv. Digital Signal Processing	Digital Control Systems
EMBEDDED SYSTEMS	Digital system Design	Digital Control Systems	Embedded - C	Adhoc wireless Sensor N/W	Microcontroller for Embedded system Design	Industrial Instrumentation

Contd....3

M.TECH.(DT) I – SEMESTER END EXAMINATIONS, JANUARY'2014

EXAMINATION TIME -TABLE
EXAM TIMINGS: 10.00 AM - 1.00P

-3-

BRANCH	20-01-2014 Monday	22-01-2014 Wednesday	24-01-2014 Friday	27-01-2014 Monday	29-01-2014 Wednesday	31-01-2014 Friday
COMPUTER SCIENCE	Adv.Data Structures & Algorithms	Database Engineering	Wireless Networks	Linux Internals	Computer Organization Architecture	Operating systems Design
INFORMATION TECHNOLOGY	Adv. Data Structures & Algorithms	Database Engineering	Parallel & Distributed Algorithms	Business Intelligence & Big Data	Advanced Computer Networks	Information Retrieval Systems
ENERGY SYSTEMS	Applied Thermodynamics	Nuclear Energy	Renewable Energy Technologies	Advanced Heat & Mass Transfer	Hydrogen and Fuel Cells	Industrial Instrumentation & Control Engineering
TRANSPOR-TATION ENGINEERING	Traffic Engineering & Management	Urban Transportation Policy & Planning for sustainable Development	Transport Infrastructure Design	Remote Sensing & GPS Transport Engineering	Pavement Material Characterization	Engineering of Grounds
URBAN TRANSPOR-TATION ENGINEERING	Transportation Management Policy	Urban Transportation Policy & Planning for sustainable Development	Road Safety Engineering	Remote Sensing & GPS Transport Engineering	Urban Transportation Administration	Ground Improvement Methods
INDS. METT.	Advanced Engg. Materials	Adv.Phy & Mechanical Metallurgy	Metal Costing Techniques	Adv.Ferrous Metal Production	Corrosion Engineering	Powder Metallurgy

Date: 03.01.2014

VICE-PRINCIPAL
