

JNTUH COLLEGE OF ENGINEERING: KUKATPALLY (AUTONOMOUS)

M.TECH. (PTPG)-IV SEM END EXAMINATIONS, APRIL-2014

EXAMINATION TIME-TABLE EXAM TIME: 3.00PM – 6.00PM

BRANCH	22-04-2014(Tuesday)	24-04-2014(Thursday)	26-04-2014(Saturday)
S.E.	Earthquake Resistant Design of Structures	Finite Element Methods	Principles of Bridge Engineering
E.P.E.	Power System Dynamics	AI Techniques in Electrical Engg.	Power System Reliability
P.E.I.D.	Electric Drives	Industrial Instrumentation	Flexible AC Transmission Systems
THERMAL	Computational Fluid Dynamics	Energy Management	Refrigeration & Air Conditioning
A.M.S.	Finite Element Analysis	Intelligent Manufacturing Systems	Advanced Manufacturing Process
Engg. Design	Finite Element & Boundary Element Methods	Vibration Analysis of Mechanical Systems	Adv. Mechanics of Composite Materials
S.S.P	TCP/IP & ATM Networks	Coding Theory & Techniques	DSP Processors & Architecture
C.S.E.	Cloud Computing	Adv. Computer Networks	Parallel & Distributed Algorithms
TRANSPORT	Pavement construction Maintenance & Management	GIS Applications in Transpt. Engg.	Highway Project formulation & Economics
ENERGY SYSTEMS	Cogeneration	Thermal Energy Mgt. & Conservation	Design & Optimization Energy systems
