GLOBAL WIRELESS SUMMIT 2015

DEMOCRATIZING COMMUNICATIONS

Sponsors:

DATE:

Dec. 13-16,2015

VENUE:

Hyderabad, India
HICC, Novotel

Global Wireless Summit 2015 is being held in Hyderabad, India during December 13 to 16 and hosts WPMC 2015, WirelessVITAE 2015, IC5 2015 and WWSMC 2015. Under the theme "Democratizing Communications", the conference brings together academia, industry and Standardization bodies working on green and Secure communications. The conference will explore activities, trends and future challenges towards ICT globalization including energy and Security issues in existing and future wireless technologies.....

TUTORIAL SESSIONS

GWS 2015 provides half-day Tutorials, which provides focused lectures of new and emerging topics within the scope of accommodations

Dec 13th Forenoon Session (9:00 am to 1:30 pm)

- *WPMC Tutorial Session: TV White Space for Affordable Broadband Access*
- *WPMC Tutorial Session: Optimal Filtering and Parameter Estimation Techniques for Statistical Models*
- *WPMC Tutorial Session: Antennas for Millimeter-wave Wireless Communications*
- *WVITAE Tutorial Session: IoT and Low Voltage Analog Design for Wireless Applications*
- *WVITAE Tutorial Session: Energy - Spectral Efficiency in Cooperative Cognitive Radio Network with Challenges in Security*

Dec 13th Afternoon Session (2:30 pm to 6:30 pm)

- *WPMC Tutorial Session: Road to 5G Wireless Systems: Challenges Ahead vis-à-vis Progress Made*
- *WPMC Tutorial Session: Wireless Channel Impairments Removal Techniques*
- *WVITAE Tutorial Session: Transmission Technologies for 5G*
- *WVITAE Tutorial Session: Visible Light Communication for Road Safety in the Intelligent Transportation Systems*
- *WVITAE Tutorial Session: ICT for Health Care*

GLOBAL WIRELESS SUMMIT- 2015

(DEC 13-16, 2015)

REGISTRATION FROM

Name : _____

Mobile No: _____ E-Mail ID : _____

Designation: _____

Organization: _____

If Registering for the entire conference (excluding tutorials): **Rs 6500/-**

Tutorial Applying for: (One in each Session)

Forenoon Session (9:30 am to 1:30 pm)

- WPMC Tutorial – TV White Space for Affordable Broadband Access.
- WPMC Tutorial – Optimal Filtering and Parameter Estimation Techniques for Statistical Models.
- WPMC Tutorial- Antennas for Millimetre – Wave Wireless Communication
- WVITAE Tutorial – IOT and Low Voltage Analog Design for Wireless Applications
- WVITAE Tutorial – Energy – Spectral Efficiency in cooperative Cognitive Radio Network with Challenges in security

Afternoon Session (2:30 pm to 6:30 pm)

- WPMC Tutorial – Road to 5G Wireless Systems : Challenges ahead vis – a – vis Progress made
- WPMC Tutorial – Wireless Channel Impairments Removal Techniques
- WPMC Tutorial – Transmission Technologies for 5G
- WVITAE Tutorial – Visible Light Communication for Road Safety in the Intelligent Transportation Systems.
- WVITAE Tutorial : ICT for Health Care

Place : _____

Date : _____

Signature : _____

NOTE :

1. Registration fee is **2000/-** for two tutorial Sessions.
2. Each registered participant should mail the scanned copy of application form along with DD to : gwsommithyd2015@gmail.com
3. DD to be issued in favour of : Global Wireless Summit 2015 , Hyderabad
4. Participant should get a Xerox copy of the application form along with the original DD.
5. Spot registrations available.
