Sub: Invitation for A 3-Day Faculty Development Program on
“*Computational Fluid Dynamics & Its Applications in Engineering*”.

Sir/ Madam

It gives Immense pleasure to inform you that in fulfillment of vision of knowledge India Department of Mechanical Engineering JNTU Hyderabad in Collaboration with Al-Habeeb College of Engineering & Technology Chevella Organizing a A 3-Day Faculty Development Program on “*Computational Fluid Dynamics & Its Applications in Engineering*” Under TEQIP-II. The main aim of this FDP is to impart basic and research oriented knowledge on CFD and its application. This field of CFD has seen tremendous growth in the last decades and its usage is still expanding into many fields. In addition to the demonstration by various companies on the latest developments in the field, it will also be very useful for faculty members to pursue their Ph.D. in all the fields of Engineering. In this regard I request you to kindly give wide publicity to this event by display of the brochure on your notice boards and circulate among your staff.

With regards

Convener

Dr. B. Sudheer Prem Kumar
