

Detailed Curriculum Vitae of Prof. B.Venkateswara Rao

Name : B. VENKATESWARA RAO

Date of Birth : May 27, 1961

Present Position : Professor of Water Resources and Director
Institute of Science and Technology,
JNT University Hyderabad.

Address for correspondence: Professor of Water Resources,
Centre for Water Resources,
Institute of Science and Technology,
JNT University Hyderabad.

Phone No. : 040-23155412

Cell No. : 9849585290

E-Mail : cwr_jntu@yahoo.com, coordinatorcas@gmail.com

Highlights of Major Contributions

Dr. B.Venkateswara Rao did his Ph.D. in Water Resources from Jawaharlal Nehru Technological University Hyderabad (JNTUH) and is presently working as Professor of Water Resources and Director, Institute of Science and Technology, JNT University Hyderabad (JNTUH). Formerly he was also Director for School of Continuing and Distance Education, JNTUH. He has obtained his masters degree from Andhra University in the field of Geophysics in the year 1984. He was an anchor to develop the Centre for Water Resources by starting M.Tech. (Water and Environmental Technology) and Ph.D. (Water Resources Management) programmes apart from developing relevant laboratories at the centre. He has also developed Centre for Earth, Atmosphere and Weather Modification Technologies (CEA&WMT) at JNTUH by starting Ph.D. (Earth and Atmospheric Sciences) and M.Sc. (Satellite Meteorology and Weather Informatics). He has introduced several P.G. courses in the fields of Science, Technology and Management in the correspondence cum contact mode at JNTUH and used Information and communication Technologies effectively to reach the masses. He was a state level Coordinator of the A.P. Stat Cloud Seeding Programme from 2008 and 2009. He has executed 15 R&D projects sanctioned by national and international funding agencies and guided 60 M.Tech. and 6 Ph.D. thesis in the water and environmental issues. He has published over 120 research papers many of them are in both National and International journals. Prior to his academic career he worked in number of field organizations in exploring the Ground Water and responsible for drilling hundreds of wells in various geologic terrains such as Khondalites, Granites and Basalts.

Dr. Rao is life member of many professional organizations in the field of water resources, few of them includes IWRA, AGID, IWRS, IAH, AHI, AGU and AEG. His areas of research interest include Ground Water Resources Exploration and Management, Environmental pollution and Impact Assessment, Hard Rock Hydrology, Siltation and Sustainability of Multipurpose Reservoir projects Weather Modification and Watershed Management. He is referee to several national and International Journals in the fields of Water and Environment.

He is an expert committee member for Selection of the projects and personnel in the prestigious National bodies like Department of Science and Technology, Council of Scientific and Industrial Research and National Geophysical Research Institute, Central Research Institute for Dry land Agriculture and Osmania University. He served as Member Board of Intermediate Govt. of Andhra Pradesh. He has been governing body member for many engineering colleges in Andhra Pradesh. He is a member of technical advisory committee of National Institute of Hydrology. The University of Birmingham, U.K. has conferred upon Dr. Rao the title of **Honorary Research Fellow** in the school of Engineering during 2004-2005. He was a **Visiting Professor** at the Department of Earth and Environmental Sciences at Rutgers University, Newark, USA during 2007 and 2014. In recognition of his outstanding contribution in the field of New and Emerging Sciences, the Govt. of Andhra Pradesh is conferred on him the **Andhra Pradesh Scientist Award (2006)**. In recognition of his outstanding contribution in the field of Groundwater Exploration, the **National Geoscience Award (2011)** is conferred upon Dr. Bekkam Venkateswara Rao, by Government of India. He has been elected as a **Fellow of Andhra Pradesh Akademi of Sciences (APAS)** in the year 2014. He was also a **Fellow of Indian Geophysical Union (IGU)**. The Govt. of Telangana has awarded Dr. Rao the **Best Teacher Award (2015)**. The Association of Exploration Geophysicists has conferred upon Dr. Rao AEG's **Sriram Srinivasan Award (2016)** for the his significant contributions in groundwater exploration. Indian National Science Academy (INSA) has awarded Prof. Rao the **INSA Teachers Award (2016)** for inspiring students to take up careers in Science and Technology.

Academic Qualifications

- | | |
|---------------------|---|
| Ph.D. | <i>Water Resources (1995)</i> , Centre for Water Resources, Jawaharlal Nehru Technological University, Hyderabad, A.P., India. |
| M.Sc. (Tech) | <i>Geophysics (1984)</i> , Department of Geo-physics, Andhra University, Visakhapatnam, A.P., India. |
| B.Sc. | <i>Physics, Maths, Chemistry (1981)</i> Acharya Nagarjuna University, Guntur, A.P., India. |

Professional Experience

- 1 ***Jr. Geophysicist*** (25-7-1984 to 27-11-1986) in the GWRDC Ltd Gujarat
- 2 ***Asst. Geophysicist*** (28-11-1986 to 8-5-1989) in the APSIDC, Hyderabad
- 3 ***Assistant Professor (Lect)*** (9-5-1989 to 21-11-1997) in the JNT University, Hyderabad
- 4 ***Associate Professor*** (22-11-1997 to 15-02-2006) in the JNT University, Hyderabad
- 5 ***Professor*** (16-02-2006 to Till Date) in the JNT University, Hyderabad

Administrative Experience

1. Director, Institute of Science and Technology, JNT University Hyderabad, 06-01-2018 onwards

2. **Director School of Continuing and Distance Education (SCDE)** JNT University Hyderabad June 2012 – May 2015
3. **Co-Ordinator of Centre for Earth, Atmosphere and Weather Modification Technology (CEA&WMT)**, JNT University Hyderabad Nov.2008 – June 2012
4. **Head of the Department**, Centre for Water Resources, IST, JNTU from 1999-2008.
5. **Coordinator Part-time Post graduate Programmes** of Institute of Science and Technology (IST), JNTU, 2004-2008.
6. **Officer In-Charge Examinations** for IST, JNTU from 2005-2008
7. **Principal Investigator for the on going MHRD, AICTE, DST, IWMI and MoR Projects** at Centre for Water Resources, JNT University.
8. **Partner country project leader for the on going International Project on Krishna Basin** involving IWMI, Melbourne University Australia and JNT University
9. **Officer In-Charge** for Internet facilities IST JNTU, 2005 – 2008
10. **Assistant Public Information officer** for IST, JNTU, 2006 – 2008
11. **Board of Studies Chairman for faculty of Water Resources** 1999-2008.
12. **Board of Studies Chairman for Centre for earth and Atmosphere and Weather Modification Technology (CEA&WMT)** 2008-2018.

Field Experience and Achievements

1. Hundreds of bore wells were constructed in different hydrogeological environments (like Deccan Traps in Gujrat and Maharashtra, Khondalites and Granites in A.P.) based on hydrogeological and geophysical investigations conducted by me, with an overall success rate of 75% (Under NABARD norms)
2. Conducted extensive hydrogeological and geophysical investigations to delineate salinity intrusion zones in coastal Sourashtra region.
3. Hydrological and geohydrological investigations were conducted while constructing the lift irrigation schemes in northern parts of Eastern Ghats of A.P.
4. Evolved a methodology for identification of sites for high yielding bore wells in northern parts of Eastern Ghats of A.P.
5. **Analyzed the Hyderabad water supply problems and suggested some remedial measures to Govt. of A.P.**, which has implemented the suggestions like, recharge pit in the individual houses.
6. Conducted several Ground Penetrating Radar (GPR) Surveys to delineate the cavities along the HMWS&SB pipe lines and other civil utilities.

Honors and Awards conferred

1. **INSA Teachers Award - 2016** by Indian National Science Academy
2. **AEG – Data Code Sriram Srinivasan Award - 2016**
3. Elected as **President** for Association of Global Groundwater Scientists (AGGS) for the term 2016-19.
4. **State Award to Meritorious Teachers Award - 2015** by Govt. of Telangana.
5. Elected as a **Fellow of Andhra Pradesh Akademi of Sciences (APAS)** in 2014.

6. **National Geoscience Award – 2011** in the field of Groundwater Exploration by Government of India in the year 2013.
7. Elected as a **Fellow of Indian Geophysical Union (IGU)** in 2013
8. **Andhra Pradesh Scientist Award - 2006** in the field of New and Emerging Sciences by Government of Andhra Pradesh.
9. **Honorary Research Fellow** during 2005 by Birmingham University (UK)
10. **Elected as Fellow Institution of Engineers -2018**

Academic Activities

A. Teaching Activities

1. M.Tech (Water and Environmental technology)
2. M.Sc (Water and Environmental science)
3. M.Sc (satellite Meteorology and Weather Informatics)

B. University Evaluation

1. Evaluated M.Tech papers, M.Tech theses and Ph.D theses as External Examiner for the universities of Osmania University, Andhra University and JNT University.
2. Special observer many times for the University examinations of JNT University and EAMCET
3. Member Fact Finding Committees for affiliation of engineering colleges under JNT University

C. Paper Setting

Paper setter for M.Tech (Water Resources Management), M.Tech (Environmental Management) for JNT University, Andhra University and Osmania University.

D. Evaluation of Theses

Several M.Tech and Ph.D Theses of JNTU, OU, AU, Pondy cherry University, M.S. University Baroda, Rajasthan University and C.C.S. University, Merut, Anna University Tamil Nadu were evaluated.

E. Design of Curriculum

Designed the course structure and syllabus for the following courses as a Chairman Board of Studies in Water Resources

1. M.Tech (Water & Environmental Technology, Day Time)
2. M.Sc (Water & Environmental Science ,Day Time)
3. M.Tech Water Environmental Technology, Part time)
4. M.Sc (satellite Meteorology and Weather Informatics, Day time)
5. M.Tech (satellite Oceanography and Ocean Informatics, Day time)
6. Introduced MBA, MCA, M.Sc's and value added PG diplomas in the correspondence cum contact mode at JNTUH.

F. Laboratory Development

Following laboratories were established at Centre for Water Resources, JNT University.

1. **Computer Simulation & Modelling Laboratory:** A modern simulation and Utilization laboratory is established with the acquisition of 25 Pentiums connected under LAN with application softwares such as WMS, SMS, Visual Modflow, ILWIS, ERDAS and Arc View.
2. **Hydrogeophysical Laboratory:** A hydrogeophysical laboratory for ground water Exploration is established in the Centre for Water Resources. The equipment includes Digital Resistivity Meters, Digital Well Logging System, Proton Precession Magnetometer, Seismic Timer, Electromagnetic Equipment (VLF) and 12 channel Shallow Seismic Unit, Pumping test equipment and Resistivity imaging equipment and Ground Penetrating Radar. Many field investigations have been carried out and analyzed.
3. **Remote Sensing Laboratory:** To meet the Remote Sensing applications of water resources, a remote sensing laboratory is established with (i) Pentiums with GIS & Image processing software, (ii) Light tables and (iii) Digital planimeters (iv) GPS 5nos.
4. **Hydrometeorological station and field farm:** To measure all the hydro meteorological parameters such as rainfall, runoff, temperature, evaporation, sunshine hours, etc and to collect site specific data such as stream gauging and river water for sediment analysis Hydrometeorological station and field farm is established with Infiltrimeters, Evapometers, Stream Gauges, Rain Gauges, Automatic Weather Data Equipment and Digital water level recorder.
5. **Surface Meteorological Observatory:** To measure rainfall temperature, wind velocity, wind direction and evaporation manually, a surface meteorological observatory is established at the Centre for Earth, Atmosphere and Weather Modification Technologies.
6. Developed and Introduced Information and Communication Technologies to reach effectively the students of Correspondence cum contact courses at JNTUH.

Expert Lectures Delivered and Preparation of Resource Materials

Given several Expert lectures and prepared lecture notes more than once to the following organizations in the field of Water and Environment

1. Indian Institute of Chemical Technology (IICT)
2. Hyderabad Metro Water Supply and Sewage Board (HMWS&SB)
3. State Ground Water Department (SGWD), Govt. of AP
4. Panchayat Raj Engineering Department (PRED), Govt. of AP
5. Central Research Institute for Dry Land Agriculture (CRIDA)
6. UGC Academic Staff College, JNT University
7. Andhra Pradesh State Council for Science and Technology (APCOST)
8. Department of Ecology and Environment University of Pondyicherry
9. National Geophysical Research Institute, Hyderabad (NGRI)
10. Dept. of Earth Sciences, SRTM University, Nanded
11. World Water Day – 2011 Lecture at JNT University Hyderabad.
12. Earth Day Lecture at JNT University Hyderabad.
13. Given Keynote Address in a National Seminar at AITS
14. Engineers Day -2011 Lecture at Institute of Engineers, Hyderabad

15. Lecture in a Workshop at Gokaraju Rangaraju Engineering College
16. Royal Society London (Deccan Section) at IICT Hyderabad
17. National Academy of Agricultural Research Management (NAARM) Hyderabad
18. Rajiv Gandhi University of Knowledge Technologies, IIIT Nuziveedu.
19. Expert lecture on Water Conservation at NIMSME, Hyderabad on 28th March, 2014.
20. World Water Day and Environmental Day lectures at Institution of Engineers- 2014.
21. Plenary talk delivered at ICHWAM -2014 at JNTUH
22. Key note address at VNR VJIET on the occasion of National Workshop on EUAWR-2015
23. Two expert lectures were delivered to green brigade contractors of GHMC under aegis of National Academy of Construction in 2015.
24. An expert lecture was delivered to school teachers under aegis of CPR environmental education centre of MOEF Govt. of India in 2015
25. Key note address delivered at National University of Advanced Legal Studies (NUALS) during national conference at Kochi, Kerala in 2015.
26. An Expert lecture delivered at Centre for Good Governance – 2015 at Gachibowli Campus, Hyderabad.
27. Key note address delivered at IGWC-2015 organised by SRM University and Association of Global Groundwater Scientists at Chennai in 2016
28. An Expert lecture delivered at Centre for Good Governance – 2016 at Gachibowli Campus, Hyderabad.
29. An Expert lecture delivered on World Water Day-2016 at JNTUH
30. An expert lecture was delivered to school teachers under aegis of CPR environmental education centre of MOEF Govt. of India in 2016
31. A Chief Guest address was delivered in Malla Reddy Institute of Technology & Science for 3rd Annual day celebrations in 2016.
32. A Chief Guest address was delivered in Avanthi's Scientific Technological and Research Academy on Engineer's day in 2016
33. Delivered a key note address in the National Seminar on "Drinking Water Quality in Rural India : Challenges and Remedies" conducted by CRR engineering college, Eluru in the December, 2016
34. An expert lecture was delivered in the Engineering Staff College of India for municipal engineers in a national work shop on urban flooding and drainage in 2016.
35. Delivered an invited talk in the national seminar on "Disasters-Mitigation Of Floods And Urban Drainage Issues" conducted by 'Institution of Engineers, Telangana State in January, 2017
36. Delivered an invited talk in the national seminar on 'Climate Change Impacts, Adaption and Mitigation' in the February, 2017
37. Delivered an invited talk in the national seminar on "Groundwater crisis in the peninsular India" conducted by 'Institution of Engineers, Telangana State in April, 2017 on the event of Earth day celebrations.
38. Delivered an invited talk in the national workshop on "Groundwater Monitoring, Planning, Recharge and Sustainable Use: Village Level Participatory Approaches and Tools" organized by Western Sydney University, Australia on May, 2017.
39. Delivered an expert lecture on "Groundwater exploration in hard rocks" for the geophysist trainees at GSI training institute Hyderabad on August, 2017

40. Delivered a plenary talk on 'Ground Water My View' at the plenary session of IGWC -2017 New Delhi
41. Delivered two expert lectures on Geophysical Methods of Groundwater Exploration at Gujarat Water Resource development Corporation Gandhinagar in a training programme under the National Hydrology project during Feb. 2018.

Extension Work and Community Service

1. Worked in no. of villages for ground water investigations to help small and marginal farmers for combating drought.
2. Educated farmers on water and soil conservation works through several workshops and training programmes.
3. Educated farmers on cloud seeding programme through several workshops and awareness programmes

Expert Member on Various Committees on Education, Research and National Development

1. Member *Board of Intermediate* for Five years 1998-2003
2. Member of *Technical Advisory Committee of "National institute of Hydrology Roorkee, India"* during 2007 - 2010.
3. *Chairman, Board of Studies in Water Resources*, JNTU since 2005.
4. Member *Assessment Committee for Scientist Promotions* at NGRI and CRIDA
5. Expert Member for *Evaluation of DST projects*
6. Expert Member for *Evaluation of CSIR projects*
7. *Member Governing Council*, IST, JNTUH
8. *Member Academic Council*, IST, JNTUH
9. *Governing Body Member* of several engineering colleges in A.P
10. *Internal Expert on the University Purchase Committee* of JNTH
11. *Member Expert panel to review R&D projects* of Indian National Committee on Ground Water under Ministry of Water Resources Govt. of India
12. *Member board of Research committee* of EPTRI
13. Chairman board of studies in Earth and Atmospheric Sciences, JNTUH
14. *Member, State Level Technical Committee of APSDMS*
15. *Member, State Level Technical Committee for Evaluation of Reports of CGWB*
16. *Member, Outsourcing committee JNTUH.*
17. *Executive committee Member, Association of Hydrologists India*
18. State Level Expert committee member constituted by the GHMC for recharge pits.
19. Member board of studies in Geophysics Osmania University since 2016.
20. Member Editorial team Journal of Indian Geophysical Union since March 2016.

Visits Abroad

1. **For presenting Research papers in International Conferences**
 - i. Switzerland in 1990
 - ii. Sweden in 1995, 1999, 2006 and 2010
 - iii. Italy in 2004 and 2015
 - iv. USA in 2007, 2014 and 2016
 - v. Mexico in 2007.

- vi. Oslo in 2008
- vii. Singapore in 2009.
- viii. Egypt in 2013.
- ix. China 2016

2 Visiting Professor

- i. Department of Earth and Environmental Sciences, Rutgers State University, New Jersey, USA, 2007 and 2014.

3. Expert lectures delivered

- i. Department of Civil Engineering, New Jersey institute of technology, New Jersey, USA, 2007.
- ii. Jackson State University, Jackson Mississippi, USA, 2007.
- iii. Department of Earth and Environmental Sciences, Rutgers State University, New Jersey, USA, 2007 and 2014.

Membership in Professional Bodies

1. Life Member "**Indian Water Resources Society**" (IWRS)
2. Life Member "**Indian Association of Hydrologists**" (IAH)
3. Life Member "**Indian Society for Technical Education**" (ISTE)
4. Life Member "**Association of Exploration Geophysicists**" (AEG)
5. Life Member "**Association of Hydrologists of India**" (AHI)
6. Life Member "**Association of Geoscientists for International Development**" (AGID)
7. Life Member "**India Meteorological Society**" (IMS)
8. Member "**International Water Resources Association**" (IWRA)
9. Member "**American Geophysical Union**" (AGU)
10. Member "**Asia Oceania Geosciences Society**" (AOGS)
11. Life Member "**Association of Global Groundwater Scientists**" (AGGS)

Detail of Books/Reports, Authored and Edited

1. Venkateswara Rao, B. (Ed. In-Chief), Ram Mohan Reddy, K., Sarala, C. and Raju, K., 2002. Edited two volumes of the proceedings of the International Conference on "Hydrology and Watershed Management" held during December 2002 at JNT University and published by BS Publications, Hyderabad, 1487 p.
2. Venkateswara Rao, B., 2004. "Neeru Pranaadharam – Vrudha Cheyakandi" was written in Telugu for the purpose of farmers and general public as a popular science booklet, published by Centre for Water Resources, JNT University Hyderabad, 16 p.
3. Venkateswara Rao, B. (Ed. In-Chief), Jagmohan Das, G., Sarala, C. and Giridhar, M.V.S.S., 2006. Edited two volumes of the proceedings of the Second International Conference on "Hydrology and Watershed Management" held during December, 2006 at JNT University and published by BS Publications, Hyderabad, 1586 p.
4. Venkateswara Rao, B. 2009. "Technical Report on Indira Meghamadhanamu (Cloud seeding) Programme-2008", submitted to Rain shadow area development department Govt. of A.P. 225 p.
5. Sarala, C., (Ed. In-Chief), Venkateswara Rao, B., Giridhar, M.V.S.S., Varalakshmi, V., 2010. Edited two volumes of the proceedings of the Third International

- Conference on “Hydrology and Watershed Management” held during Feb., 2010 at JNT University and published by BS Publications, Hyderabad, 1453 p.
6. Venkateswara Rao, B., 2010. Technical Report on Indira Meghamadhanamu (Cloud seeding) Programme-2009, submitted to Rain shadow area development department Govt. of A.P., 330 p.
 7. Venkateswara Rao, B. and Varalakshmi, V., 2012 “Hydrodynamics of an Urban river – Case Study of Musi river, Hyderabad, India” In: “Natural Resources: Technology, Economics and Policy”, Ed. by U. Ashwathanarayana and published by CRC Press/ Balkema – Taylor & Francis Group, pp. 177-197.
 8. Varalakshmi, V. and Venkateswara Rao, B., 2013. “Study on Impacts of Rainfall Variability and Urbanisation on Cropping Area” In: “Geospatial Technologies for Natural Resources Management” Ed S.K. Soam et al., New India Publishing Agency, New Delhi, pp-131-148.
 9. Ramamohan, Reddy, K., (Ed. In-Chief), Venkateswara Rao, B., Sarala, C., 2014. Edited two volumes of the proceedings of the 4th International Conference on “Hydrology and Watershed Management” held at JNT University and published by Allied Publishers, Hyderabad, 1265p.
 10. Venkateswara Rao B., 2016. Edited Procs. of the First Indian National Groundwater Conferenc (INGWC-2016) on Sustainable Development and Management of Groundwater Resources in Arid and Semi-Arid Regions, B.S. Publications, 479 p.

Member Editorial Board of the journal

1. Journal of Indian Geophysical Union (JIGU)

Reviewer for the Journals

1. International Journal of Remote Sensing
2. Indian Journal of Remote Sensing
3. Current Science
4. Journal of Geological Resource and Engineering
5. Journal of Hydrologic Engineering of ASCE
6. Journal of Indian Geophysical Union
7. Journal of Water Resource and Protection (JWARP)
8. Journal of Applied Water Engineering and Research (JAWER)

Research Work Reported in the Press

Several news papers like, Hindu, Eenadu, Deccan Chronicle, Vaartha, and Indian Express have reported my research work on the Osmansagar and Himayatsagar lakes and other water resources aspects of recharge pits, rain water harvesting, weather modification technologies, Eastern Ghat Khondalitic Aquifers and Application of GPR to HMWS&SB sewerlines.

Propagation of Science through electronic media

Water and Soil Conservation, Water Management and Weather Modification Technologies have been propagated through the interviews broadcasted by Doordarshan and all other reputed Electronic Media and All India Radio, Hyderabad

Conferences, Seminars and Workshops Organized

1. A National workshop on “well Failures” Causes and Strategies for Effective Countering” was conducted during 6th to 7th December, 1990
2. Seminar on “Water and Environment” was conducted to celebrate the Water Resources Day of 1992
3. Expert lectures on “Alamatti Dam & Environmental Implications” arranged at JNT University on 1st October, 1996.
4. One day Seminar on “Geophysical Electrical Resistivity Imaging for use in Ground Water, Geotechnical and Environmental Implications” is conducted on 21st November, 1996. The Seminar is presented by the Mas Lagmanson, Advanced Geo Sciences INC, Austin, U.S.A. Sponsored by Electrotek international, Inc, Madras, India.
5. National Conference on “Engineering Trends in the Development of Sustainable Ground Water Sources” during 27th to 28th August, 1997.
6. Workshop on “Watershed Management – Problems and Prospects” in 1998 during 31st August, 1998.
7. A panel discussion on strategy paper prepared by Government of Andhra Pradesh on “Strategy Paper on Irrigation Development ” during 18th May, 2001.
8. An International Conference on “Hydrology and Watershed Management” with a focal theme on Water Quality and Conservation for Sustainable Development was conducted during 18th to 20th December, 2002.
9. Workshop on “Water Resources Management, Education, Training and Employment Opportunities in the State of A.P” on 9th November, 2003.
10. International workshop on “weather modification and cloud seeding technologies for rain water enhancement-2005” on 27th to 28th January, 2005.
11. 2nd International Conference on “Hydrology and Watershed Management” with a focal theme on “Water Productivity in the Agriculture” was conducted during 5th to 8th December 2006.
12. One-day workshop on “Coping With Water Scarcity” on the occasion of World Water Day on 22nd March, 2007.
13. Three day workshop on “Rainwater Harvesting and Recharge Methodologies” was conducted during 29th to 31st March, 2007.
14. Workshop on “Isotope Tracer Techniques for Water Resources Development and Management” was conducted on 12th February, 2008.
15. International workshop and Brainstorming session on cloud seeding operations in A.P. was conducted during 15th -17th December, 2008
16. One day workshop on “Water and Environment” was conducted on 20th March, 2009.

17. All party Rythu Sangham seminar on “Indira Meghamadhanamu” on 17th June. 2009
18. 3rd International Conference on “Hydrology and Watershed Management” with a focal theme on “Climate Change-Water Food and Environmental Security” was conducted during 3 – 5th Feb., 2010.
19. Organised a Technical Session on Cloud Aerosol Interaction and Weather Modification Experiments in Asia and Oceania during 5th – 9th July 2010 in the VII Annual Meeting of AOGS held at Hyderabad.
20. Acted as a Sectional Secretary on “Earth, Ocean and Atmospheric Sciences” in the A.P Science Congress and Annual Convention of Andhra Pradesh Akademi of Sciences during 18 – 20th November 2010.
21. Organised One Day Work Shop on “Open Source Satellite Data and Analysis of Ocean and Atmosphere” on 7th April 2011
22. Conducted “Earth Day Celebrations – 2011” on 23rd April 2011 at CEA&WMT, IST, JNTUH
23. Organised an Expert Lecture on “A Nutrients Time Bomb in the Bay of Bengal” by Ghosh Babba off environment Canada on 13th March, 2013.
24. Organised 4th International Conference on “Hydrology and Watershed Management” with a focal theme on Ecosystem Resilience – Rural and Urban Water Requirements during 29th October – 1st November, 2014.
25. A commemoration meeting was organized on Prof. U. Aswathanarayana, a renowned water resources specialist on the occasion of World Water Day-2016
26. Organized First Indian National Groundwater Conference (INGWC-2016) during October 5-7, 2016.
27. Organised one day workshop on Startup Awareness on the occasion of National Science day 2018
28. Organised one day workshop on Mobilizing the Earth to end Plastic Pollution on the occasion the Earth day 2018

Short – term Courses and Training Programmes Organized

1. Short-term course on “Geostatistics and Stochastic Approaches” in hydrogeology was conducted during 10th to 15th July, 1992.
2. A Refresher Course on ‘Water Management’ was conducted to the faculty of various Engineering colleges during 11th to 30th March, 2002.
3. A Refresher course on “Natural Resources Management, Environmental & Employment” was conducted to Earth science teachers during 3rd to 15th November 2003.
4. A Refresher course on “Water Management” was conducted during 2nd to 22nd February, 2004.
5. An in house faculty training programme on “Ground Water Modeling” was conducted during 2nd to 9th January, 2006
6. A Farmers training programme on “Water and Soil Conservation Technologies for Improving Agricultural Productivity” conducted during 27th to 29th March, 2006.

7. A farmers training programme on “Soil and Water Conservation for Improving Agricultural Productivity” conducted during 25th to 27th September, 2006.
8. Colony residents Training Programme on “Rainwater Harvesting & Water Conservation Methodologies” is conducted during 29-31 March, 2007.
9. One week faculty training programme on “Resistivity Imaging Equipment” during 22nd to 26th July 2008.
10. Three –Week Refresher Course on “RS and GIS applications to Water and Environmental Technologies” during 25th August to 16th September, 2008.
11. Three –Week Refresher Course on “*Satellite Data Applications in Weather and Climate Change*” during 18.03.2013 to 10.04.2013.
12. One – Week short term Course on “Satellite data Applications in Earth and Atmospheric Sciences” during 06.01.2014 to 11.01.2014.
13. Four day training programme on “3D Resistivity Imaging for Groundwater Exploration” during 24th and 27th March, 2014.
14. Five day training programme on “Groundwater Modelling” during March 16-20, 2015
15. Three day training programme on “Ground Penetrating Radar (GPR) Applications” during Dec. 28-30, 2017.

International Seminars, Symposia, Workshops and Training Programmes Attended

S.No	Title	Name of the Organization	Duration
1.	International Symposium on Application of Geophysics To Water Prospecting in Arid and Semi Arid Areas.	Institute DE Geophysique University DE Lasuane, Switzerland	22-24 August, 1990
2.	First International Seminar And Exhibition on Explora-Geophysics in Nineteen Nineties	Association of Exploration Geophysicists, Hyderabad.	25-30 Nov, 1991.
3.	An International Conference On Remote Sensing and GIS	SEWAR, JNT University Hyderabad.	Feb.,1992, Dec., 94 & 97
4.	Fifth Stockholm Water Symposium 1995	Stockholm Water Company, Stockholm, Sweden.	13-18 Aug, 1996.
5.	Second International Seminar & Exhibition on Geophysics Beyond 2000	Association of Exploration Geophysicists, Hyderabad.	15-20 Nov,1996
6.	International Symposium on Emerging Trends in Hydrology	Dept. of Hydrology University of Roorkee.	25-27 Sept,1997
7.	9 th Stockholm Water Symposium	Stockholm International Water Institute, Stockholm, Sweden	Aug, 9-12 1999
8.	Mahadevan birth centenary International symposium on Challenges of Water Resources Management in 21 st Century	Andhra University Visakhapatnam	May 6 – 10 2001
9.	International conference on Industrial Pollution and Control Technologies	Centre for Environment, JNT University, Hyderabad	November 17-19, 1997 & December 7-10, 2001
10.	International Groundwater Conference on	National Geophysical	February 20-22,

	Sustainable Development and Management of Groundwater Resources in Semi – Arid Region with Special Reference to Hard Rocks	Research Institute, Hyderabad at Dindigul, Tamil Nadu	2002
11.	International Conference on Hydrology and Watershed Management	Centre for Water Resources, JNT University Hyderabad	December 18-20, 2002
12	International seminar on Watershed Development	Department of Geophysics, Andhra University, Visakhapatnam	October 16-18, 2003
13	32 ND International Geological Conference	International Union of Geological Sciences Florence, Italy	August 20-28, 2004
14	SIWI Seminar on “Hard or Soft Landing in Closing Basins? Coping with Quantity and Quality Challenges” as part of World Water Week.	Stockholm International water Institute, Stockholm	August 20-26, 2006
15	Third International Seminar and Exhibition on Exploration Geophysics.	Association of Exploration Geophysics, Hyderabad.	November 6-12, 2006
16	Second International Conference on Hydrology and Watershed Management.	Centre for Water Resources, JNTU, Hyderabad.	December 5-8, 2006
17	American Geophysical Union Joint Assembly –2007	AGU, Acapulco, Mexico.	May 22-25, 2007
18	2007 NGWA/U.S.EPA Fractured Rock Conference: State of the Science and Measuring Success in Remediation	Portland, Maine, USA	September 24-26, 2007
19	Indo-French Seminar on Water	Ahmedabad	January 29-31, 2008
20	International conference on groundwater	University of Rajasthan, Jaipur	March 25-28,2008
21	33 rd International Geological Congress	Oslo, Norway.	August 6-14, 2008.
22.	International Workshop and Brain Storming Session on Evaluation of Cloud Seeding Operations in Andhra Pradesh 2004-2008	JNT University, Hyderabad.	December 15-17, 2008.
23.	6 th Annual Meeting of Asia Oceania Geosciences Society (AOGS-2009)	Singapore	August 11-15, 2009.
24.	Joint International Convention of 8 th IAHS Scientific Assembly and 37 th IAH Congress	Hyderabad	September 6-12, 2009
25.	Third International Conference on Hydrology and Watershed Management.	Centre for Water Resources, JNTU, Hyderabad.	February 3-6, 2010
26.	7 th Annual Meeting of Asia Oceania Geosciences Society (AOGS-2010)	Hyderabad	July 5-9, 2010
27.	Attended World Water Week at Stockholm	Stockholm International water Institute, Stockholm	September 5-11, 2010.
28.	International Ground Water Conference (IGWC- 2012)	Aurangabad	Dec. 18–21, 2012

29.	Second Symposium on the Geological Resources in the Tethys Realm	Aswan, Egypt.	5-8 th January,2013
30.	NGWA Groundwater Summit 2014	Denver, USA.	4-7 th May, 2014
31.	4 th International Conference on Hydrology and Watershed Management.	Centre for Water Resources, JNTU, Hyderabad.	29 th October to 1 st November, 2014
32.	42 nd IAH congress AQUA – 2015	International Association of Hydrogeologists, Rome, Italy	Sept. 13-18, 2015
33.	IGWC-2015	SRM University and AGGS, Chennai	Feb. 11-13, 2016
34	2016 International Conference on Water Resource and Environment (WRE 2016)	Wuhan Bosheng Xueshu Jiaoliu Co. Ltd., China	July 23-26, 2016
35	Technical Training Programme on ‘Ground Penetrating Radar’	GSSI, USA	August 09-12, 2016
36	7 th International Ground Water Conference (IGWC) - 2017	NIH, New Delhi	Dec 11-13, 2017

Consultancy Projects Executed

1. Hydrology of Kajipally Cheruvu Sponsored by APPCB through Centre for Environment, IST, JNTU in the year 1998.
2. Hydrology of Gandigudem Lake Sponsored by APPCB through Centre for Environment, IST, JNTU in the year 1999.
3. EIA of Surface and Groundwater Quality on Downstream side of MUSI River Sponsored by Patan Cheru Effluent Treatment Plant in the year 2000.
4. Ground Water Exploration for individual farmers in Shamsabad in Rangareddy District, A.P in the year 2001.
5. Estimation of Hydraulic conductivity in Lime Stone mine near Damacherla, Nalagonda District, A.P. for Deccan Chromates in the year 2002
6. Identification of Ground water flow direction at Jiaguda, Hyderabad in the year 2003.
7. Geophysical investigations for studying suitability of site for health resorts, GVK estates Gandipet, Hyderabad in the year 2004.
8. Seismic investigations for studying suitability of site for desalination plant at Ennore, Chennai for IVRCL Infrastructures and Projects Limited in the year 2005.
9. Seismic investigations for basement studies to construct the second phase of NTPC thermal power plant at Parawada, Visakhapatnam in the year 2007.
10. Hydrologic design of storm generating at TCS campus, Hyderabad. The work given by Eddifice Architects Pvt. Ltd. Mumbai in the year 2008.
11. Identification of well points using Resistivity Imaging near police academy, Hyderabad, the work given by Jain Constructions Pvt.Ltd 2009.
12. Identification of well points using Resistivity Imaging in Nizamabad District, for farmers 2010.
13. Ground Water Investigations at Thummalapalli Uranium Mining site 2011.

14. Identification of Water well points using Resistivity Imaging in the field of Himabindu, Nizamabad District.
15. Identification of Recharge Structures at Thummalapalli Uranium Mining site 2012.
16. Identification of Water well points using Resistivity Imaging in the formers land near ballari 2013.
17. Identification of Water well points using Resistivity Imaging in the BHEL Township, 2013.
18. Identification of Water well points using Resistivity Imaging in the Shilparamam campus, Hitech City, Hyderabad. 2014.
19. Identification of water well points using Resistivity Imaging at Vemula village, Jadcherla Mandal, Mahabubnagar district in 2016.
20. Identification of water well points using Resistivity Imaging at Aziz nagar, Near APPA junction, Hyderabad in 2016.
21. Identification of various shallow layers in Alladurgh, Medak District in 2016 using Ground Penetrating Radar
22. Identification of cavities along sewer pipelines of HMWS&SB from clock tower to avula manda street via Patney junction May-2017 Using Ground Penetrating Radar.
23. Identification of Cavities along Sewer Pipelines of HMWS&SB in East Maredpalli, Secunderabad using Ground Penetrating Radar in 2017.
24. Identification of Leakage of water supply pipe line of HMWS&SB from Nagarjuna Sagar to Hyderabad city near Turkemanjal in 2017.
25. Identification of buried manholes along Sewer Pipelines of HMWS&SB in Ranigunj, Secunderabad using Ground Penetrating Radar in 2017.
26. Identification of pipe lines in the Kazipally industrial Area under the NGRI research project using Ground Penetrating Radar in 2018.
27. Identification of civil utilities using ground penetrating radar near at bridge site in Amberpet, Hyderabad.
28. Identifation of pipelines near suncity at Rajendranagar using GPR (21-09-2018)

List of National & International Projects Executed

S.No.	Title of the Project	Year	Funding Organization	Amount in Lakhs of Rs.
1.	Status, Achievement and Future programme of Water Resources (An approval Report of the Centre of Water Resources submitted twice)	1989 to 1992	Ministry of Human Resource Development	6.0
2.	- Do -	- Do -	- Do -	3.0

3.	Developing Hydrological Excellence (Under Removal of Obsolescence & Modernisation)	1993 to 1995	-do-	7.5
4.	Creation of Infrastructure Facilities for Advanced Technological Research Base in Integrated Management of Water Resources in Representative Hardrock Regions of Peninsular India	1993 to 1995	-do-	10.5
5.	Integrated Investigations for control of Reservoir Sedimentation through Remote Sensing and Conventional Techniques.	1995 to 1999	All India Council for Technical Education	6.0
6.	Artificial Recharge sites Identification of a Typical Semi – Arid Region of progressively Lowering Groundwater Levels	2002 to 2005	All India Council for Technical Education	7.0
7.	Technical Education Quality Improvement Programme (TEQIP)	2004 to 2008	Govt. of Andhra Pradesh (Sponsored by World Bank)	50
8.	Evaluation of Recharge from Reservoirs using Stable Isotopes in the Catchment Area of River Musi, Hyderabad, India.	2004 to 2009	DST	5.95
9.	Water Allocation in the Krishna Basin to Improve Water Productivity in Agriculture	2004 to 2011	IWMI	15.0
10.	Remote Sensing data based soil conservation studies to control sedimentation in Sriramsagar Reservoir	2005 to 2011	Ministry of Water resources	15.24
11.	Andhra Pradesh Cloud seeding programme “Indira Meghamadhanamu-2008”	2008 to 2009	Govt. of Andhra Pradesh	47.83
12.	Andhra Pradesh Cloud seeding programme “Indira Meghamadhanamu -2009”	2009 to 2010	Govt. of Andhra Pradesh	68.85
13.	Application of Multi geophysical techniques to delineate ground water potential zones and artificial recharge sites	2009 to 2012	AICTE	6.9
14.	UGC Innovative programme for the M.Sc (satellite meteorology & weather informatics)	2012 to 2017	UGC	53.3

15.	Application of Resistivity Imaging for the delineation of kaolinised zones to contain water well failures in the khondalitic terrain	2013 to 2016	DST	19.93
16	Application of Deep 3D Resistivity Imaging at pairs of success and failed wells to characterize the aquifers in granitic and basaltic terrain	2016-17	TEQIP-II	4.8
17	Technical Quality Improvement Programme-III	2017-20	MHRD, Govt. of India	750
18	Ground water modeling of subledu basin	2018-20	TEQIP- III	2.0

List of Ph.D. Theses Completed

S.No	Name	Title of the Thesis	Year of Registration	Year of Completion
1	M.V. Padmanabhan	Evaluation of role of In – Situ Soil and Water Conservation Practices through Epic Simulation Model	1997	2003
2	C.R. Thyagaraju	Interactive Influence of tillage time, method and rainfall on soil moisture Retention with Relevant Expert System	1997	2005
3	A.T. Jaya Seelan	Development of Real time Drought Management Strategies Through Remote Sensing at District Level	1992	2005
4	N.Srinivasa Rao	Hydrogeochemical Investigations and Solute Transport Modeling of a Polluted Coastal Aquifer Near Nellore India	2002	2009
5	C.Sarala	Studies on Changes in Rainfall Runoff Relation ship due to changes in land use – A regional case study on Krishna Basin	2002	2009
6	V.Varalakshmi	Catchment Hydrology and Ground water modeling of the Osmansagar and Himayathsagar Reservoirs.	2006	2010
7.	S. Ravindra Babu	Variations of Tropical Tropopause at Different Temporal and Spatial Scales over Indian Region	2011	2016
8.	Sallauddin Mohammed	Comparative study of long period atmospheric waves over Hyderabad and Gadanki	2010	2016
9.	Lakshminarayana	Hydrological Modelling and Flood Prognostics of Yerrakalava River Basin, India	2010	2017
10.	P. Vinay Kumar	Role of Gravity Waves and Tides in Tropical Lower Atmosphere Over the Indian Peninsula	2011	2018

11.	Y. Siva Prasad	Geohydrological and groundwater Modelling Studies of Khondalitic Aquifer	2012	2018

List of M. Tech Theses Guided

S.No	Name	Title of the Thesis	Year of Registration	Year of Completion
1	R.Venkatapathi Raju	Comparative Studies of Seepage Losses in Nagarjunasagar Left Canal	1990	1992
2	Y. Yadaiah	Assessment of Ground Water Contamination Levels and Prognostics of Pollutant Dispersion by Finite Element Method in Saroornagar Micro Basin.	-do -	1992
3	N. Suresh	Correlation of Hydrogeological and Geoelectrical Characteristics of an Hard Rock Aquifer	-do -	1992
4	Ch.Chandra Mohan	Delineation of Ground Water Potential Zones in Various Geomorphic Units of Khandivalasa River Sub-Basin through Remote Sensing Techniques	1991	1993

30. Venkateswara Rao, B., 2011. "Affect of Groundwater Withdrawal On Surface Runoff - A Case Study Of Musi Basin" Procs. of Workshop on "Augmentation and Protection of Ground Water Resources" organized by Central Ground Water Board, Ministry of Water Resources, Hyderabad.
31. Venkateswara Rao, B., Varalakshmi, V., Vijaya Sarada, T., Srinivasa Rao, N., 2011. "Are the Changes in the Catchment hydrology is due to climate change?" Procs. of the National Conference on "Climate Change and its Impact on Life and Water Resources" Organised by Annamacharya Institute of Technology and Sciences.
32. Venkateswara Rao, B., 2013. "E-Solutions in the Correspondence Courses at Jawaharlal Nehru Technological University Hyderabad", Procs. of National seminar on "ICT and Future of Distance Education: Opportunities and Challenges" at Dr. B. R. Ambedkar Open University Hyderabad. pp. 44.
33. Venkateswara Rao, B., 2014. "Hydropower Development in India-Problems and Prospects" Procs. Of the one day seminar on "Water and Energy" (on the occasion of World Water Day-2014). Organized by The Institute of Engineers (India) Andhra Pradesh State Centre and Water Management Forum Southern Regional Centre. pp. 12-15.
34. Venkateswara Rao, B., 2014. "Coping with (Climate) Change in the Catchment Hydrology" Procs. of the One Day seminar on "Small Islands and Climate Change" (On the occasion of World Environment Day-2014). Jointly organized by Andhra Pradesh State Centre of the Institution of Engineers (India) and Indian Water Works Association, A. P. Chapter. pp.4-5.
35. Venkateswara Rao, B., P. Lakshminarayana., Y. Siva Prasad., 2014. "Identification of Impacts of Groundwater Mining and Recharge Structures at Tummalapalli Uranium Mining Area", Procs. Of the National seminar. Organized by Centre for Water

Resources, Institute of Science and Technology, JNT University Hyderabad. pp.312-319.

36. Venkateswara Rao, B., 2014. "Science Philosophy and Binary World" Proc. Of the National Seminar on "Making Indian Engg. World Class" organized by the Institution of Engineers A.P. Chapter on the occasion of the "Engineers-Day" Seminar.
37. Venkateswara Rao, B., Siva Prasad, Y., 2014. "3D Resistivity Imaging for Delineation of Kaolinised zones in a Typical Khondalitic Terrain to Contain Water Well Failures" 36th Annual Convention, Seminar and Exhibition on Exploration Geophysics with Special Theme on Advanced Geophysical Techniques in Exploration of Deep Seated Resources. Organized by Association of Exploration Geophysicists, Hyderabad
38. Siva Prasad, Y., B. Venkateswara Rao, B., 2014. "Groundwater Quality Studies in the Kandivalasa River Sub Basin, Vizianagaram District, A.P., India" Golden Jubilee Science Congress of Andhra Pradesh Academy of Sciences, IICT, Hyderabad.
39. Siva Prasad. Y., B. Venkateswara Rao, B., 2015. "Geohydrological Investigations of a Typical Khondalitic Terrain of Vizianagaram District of Andhra Pradesh, India" Proceedings of the 32nd & 33rd AHI Annual convention and National Seminar on "Water Resources" with a colloquium on 'Interlinking of Rivers with special reference to Andhra Pradesh' during 10th and 11th July, 2015
40. Venkateswara Rao B., 2016. "Coping with Changes in Catchment Hydrology and Need for the Conjunctive Use", Procs. of National Seminar on Conjunctive use of Surface water and groundwater in major and medium Irrigation. Organized by Govt. of A.P. Water Resources Department during February 11-12, 2016
41. Venkateswara Rao B., 2016. "A review of Hydrogeological and Geophysical Aspects of Northern Parts of Eastern Ghat Khondalitic Aquifers", Procs. of the First Indian National Groundwater Conference (INGWC-2016) on Sustainable Development and Management of Groundwater Resources in Arid and Semi-Arid Regions, B.S. Publications, pp. 3-10
42. Siva Prasad, Y. and Venkateswara Rao, B., 2016. "Groundwater Recharge Studies in Kandivalasa River Sub Basin, Vizianagaram District, Andhra Pradesh", Procs. of the First Indian National Groundwater Conference (INGWC-2016) on Sustainable Development and Management of Groundwater Resources in Arid and Semi-Arid Regions, B.S. Publications, pp. 157-166
43. Siva Prasad, Y. and Venkateswara Rao, B., 2016. "Hydrogeochemical Studies in the Khondalitic Terrain, Vizianagaram District, A.P., India", Procs. of the First Indian National Groundwater Conference (INGWC-2016) on Sustainable Development and Management of Groundwater Resources in Arid and Semi-Arid Regions, B.S. Publications, pp. 269-282
44. Lakshminarayana, P. and Venkateswara Rao, B., 2016. "Flood Prognostics of Errakalava River Basin using HEC-HMS Event Model" Procs. of the two day workshop of 'geospatial technologies' with a special colloquium on evaluation of land and water management systems of West Godavari district, Andhra Pradesh, India, Organized by dept. of Civil Engineering, SRKR Engineering College (Autonomous), Bhimavaram, pp. 81.
45. Siva Prasad, Y., and Venkateswara Rao, B., 2016. "Groundwater Depletion and Groundwater Balance Studies of Kandivalasa River Sub Basin, Vizianagaram District,

- A.P., India” Abstracts Volume of National Conference on ‘Water Resources Management in Coastal Regions’ held during December 8-9, 2016 pp. 34
46. Venkateswara Rao, B., 2016. “Relevance and Need for Water Conservation”, Procs. of National Workshop on Innovations in Water Resources Management in Educational Institutions, Organized by Layola College, Chennai during November 24-25, 2016. Paper communicated.
 47. Venkateswara Rao B. 2017. “Hydrogeological and Geophysical Characteristics of Northern parts of Eastern Ghats Khondalitic Aquifers” Proceedings of the National seminar on Challenges and opportunities for sustainable development of mineral and fossil energy resources organized by Department of Geology Andhra University pp. 25-34.
 48. Lakshminarayana, P and Venkateswara Rao B. 2017. “Flood Prognostics of Yerrakalava River Basin Using HEC-HMS Event Model”, Procs. of the All India Seminar on “Disasters-Mitigation of Floods and Urban Drainage Issues”, conducted by Institutes of Engineers, Telangana State, pp 3
 49. Venkateswara Rao B. 2017. “Groundwater Exploration in Hard Rocks” ‘Proceedings of AGGS Brain Storming Session’ on understanding the groundwater flow regime in hard rock region due to variable climate and drought conditions held at Dindigul, Tamilnadu pp. 21-32
 50. Venkateswara Rao B. 2017. “Climate Change, its Impact on Water Resources and Mitigation Measures in the Peninsular India” proceedings of the workshop on current trends and sustainable management options in water sector, Telangana State organized by Central Ground Water Board pp. 41-42
 51. Venkateswara Rao B. 2018 Raising of Groundwater levels is the Key for the Rejuvenation of Rivers” for proceedings of the Seminar on “ Water Scarcity – Possible Water Wars in Future” held at Institution of Engineers Khairatabad
 52. Venkateswara Rao B. 2018. “Kaolinisation of Khondalitic Aquifers and its effects on ground water availability in Northern parts of Eastern Ghats” Proceedings of the National Seminar on 'Hydrology' with a colloquium on "Nature based solutions to Water Challenges of AHI held at Visakhapatnam
