2022

IDEEP

A National Level Techno-Management Fest

12th & 13th
April,2022

JNTUHUCEH

Department of
Humanities
and
Social Sciences

JNTUH

JNTU Hyderabad College of Engineering is a premier institute with academic and research-Oriented courses, has become an educational hub in Hyderabad with the motive to rise the standard of education. It has been successful in fulfilling its student's endeavours with its continuous efforts total dedication and unremitting improvement.

IDP MBA

JNTUH-CEH has taken a gains leap in classroom education with the introduction of an integrated dual degree programme (IDP) a 5-Year B. Tech + MBA program, which equips students with engineering as well as managerial skills. It promoted rational thinking among the students by relating In-Class content to Out-of-class realities.

IDEEP

IDEEP is a national level Techno-Management fest conducted by the Department of HSS,JNTUHCEH. IDEEP started in 2012 as technical fest and right from its inception,it has received immense response from students all over the state. IDEEP offers a platform for students to compete with peers in a myraid of events that test their mettle and knowledge in field of Humanities and Social Sciences.
