Vision of the Institution

To be recognized as one of the top 10 institutes in the country offering technical education, sustaining and improving its **repute of UG programmes**, expanding **need based PG and research programmes** with global outlook, synergizing teaching and research for societal relevance.

Mission of the Institution

1. To identify technological advancements and build the **right level of skills at the right time** contributing to the industrial and national growth.
2. To identify and keep abreast with the **state of the art technology maintaining** its legacy of Striving for excellence in higher education.
3. To promote **world class research** of local relevance to society.
4. With a research community of professors, research fellows and research centres, **expand the Scale and multidisciplinary** character of its research activities.
5. With a **global outlook** strive for collaborations to network with International Universities and National Institutes of Research and Higher Learning.

History of the College:

The College was established as Nagarjuna Sagar Engineering College in 1965. When the college was under the administrative control of the Department of Technical Education, it was affiliated to Osmania University, Hyderabad. With the formation of Jawaharlal Nehru Technological University on 2 October 1972, it became a constituent college of the University and was later renamed as JNTU College of Engineering, Hyderabad. From its inception in 1965 to 1984, the College was located at Masab Tank Campus. In 1984, the College was shifted to its permanent location at Kukatpally. The college celebrated its Silver Jubilee in 1990. After the JNTU was divided into four Universities in 2008, it became a constituent college to Jawaharlal Nehru Technological University Hyderabad. The College was conferred autonomous status by UGC, New Delhi in 2010-11 for a period of six years. All the UG Programmes and 10 PG programmes are accredited by NBA, New Delhi.

The activities of the college are basically supported by the budgetary allocation from the University funds. Specific grants from different funding agencies like UGC, MHRD, AICTE, DST are also sought from time to time for the development of the college. The College has purchased modern and sophisticated equipment from the research and development grants received from MHRD, AICTE, DST and TEQIP (A World Bank-aided Project). The College was selected as Lead Institute in TEQIP Phase-I. The College was selected for TEQIP Phase-II with financial support of Rs. 12.50 Crores. In addition, the College was also sanctioned Centre of Excellence in Disaster Management worth of Rs. 5.00 Crores under TEQIP-II. The College was also selected for TEQIP Phase-III.

The infrastructure development in the past two decades in the college has been substantial. After shifting to the new campus in 1984, the Civil, Mechanical Engineering blocks and Hostel blocks for boys and girls were constructed. Subsequently, Computer Science and Engineering, Metallurgical Engineering, Electrical & Electronics Engineering, separate Civil Engineering, Electronics & Communication Engineering and Library blocks were constructed. The college library consists of nearly 61,414 books, and about 126 Journals and

4000 on-line journals. It also subscribes to 50 Journals every year.

The Industrial Consultancy Unit of the college is very active in offering the expertise of the staff in various fields like Structural Engineering, Geotechnical Engineering Survey, Electrical Engineering and Mechanical Engineering. Almost all the departments have Computers to carry out Computer Laboratories, Projects, Research and Development work. The systems include Pentiums and work stations. Some departments have very powerful computer systems to carry out special purpose works. A 24x7 Centralized Computer Centre, having biometric entry, has been established which is open to students and staff round the clock on all days including holidays. Important softwares of all the departments are housed in it and can be accessed by the students and staff.

The college presently has 5 hostel blocks namely Manjeera & Kinnera (for boys) and Saraswati, Kamala Nehru & Gayathri (for Girls). The college provides hostel facilities for about 820 boys and 725 girls. Other facilities in the campus including a Bank, Post office, Hospital, Canteen, play fields along with a pavilion etc. are available. The college has NCC (National Cadet Corps) and NSS (National Service Scheme) units. Almost 100% of our college students get employment through campus placements.

The student branch of IEEE (Institute of Electrical and Electronics Engineers) is very active. The college also has ISTE (Indian Society for Technical Education) Chapter. The Members of the faculty of College also guide Research Programmes, leading to M.S / M.Phil / Ph.D Degree offered by the University.

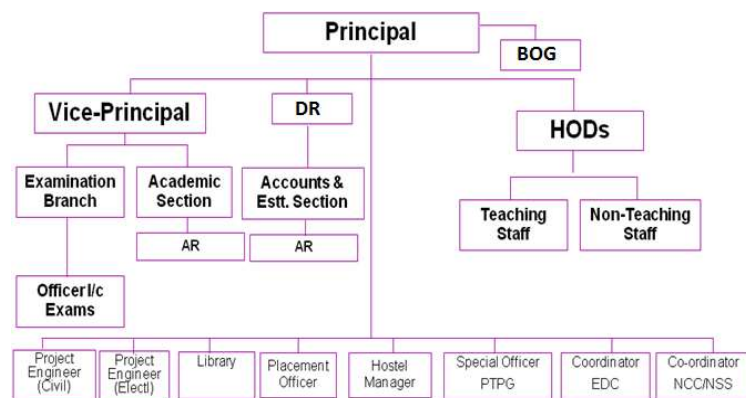

Besides academic activities, the College conducts extensive research activities and offers industrial consultancy services to various Government and Private organizations.

The following are the Competition Success Review and Global Human Resource Development Centre (CSR-GHRDC) Survey Rankings of the College for the year 2017:

- Ranked 8th in India under Top Engineering Colleges of Super Excellence in India by.

- Ranked 1st in Telangana State
- Ranked 10th under Faculty, Research, Consultancy, EDP & Other Programmes
- Ranked 10th under Placements, USP, Social Responsibility, Networking & Industry Interface

The college offers the following courses:

I. Regular Four Year B.Tech. Programmes (7)

1. B.Tech. Civil Engineering
2. B.Tech. Electrical & Electronics Engineering
3. B.Tech. Mechanical Engineering
4. B.Tech. Electronics & Communications Engineering
5. B.Tech. Computer Science and Engineering
6. B.Tech. Metallurgical Engineering
7. B.Tech. Chemical Engineering

The admission to these B.Tech. courses is based on State level entrance examination i.e. TSEAMCET.

II. Regular IDP (B.Tech. + M.Tech. / MBA) Programmes (10)

1. B.Tech. Civil Engineering + M.Tech. (Structural Engineering)
2. B.Tech. Electrical & Electronics Engineering + M.Tech. (Power Electronics)
3. B.Tech. Mechanical Engineering + M.Tech. (Manufacturing Systems)
4. B.Tech. Electronics & Communications Engineering+ M.Tech. (Communications & Signal Processing)
5. B.Tech. Computer Science and Engineering + M.Tech. (Computer Science)
6. B.Tech. Civil Engineering + MBA(Human Resources / Finance/ Marketing/ Systems)
7. B.Tech. Electrical & Electronics Engineering + MBA(Human Resources / Finance/ Marketing/ Systems)
8. B.Tech. Mechanical Engineering + MBA(Human Resources / Finance/ Marketing/ Systems)
9. B.Tech. Electronics & Communications Engineering + MBA(Human Resources / Finance/ Marketing/ Systems)
10. B.Tech. Computer Science and Engineering + MBA(Human Resources / Finance/ Marketing/ Systems)

The admission to these IDP courses is based on State level entrance examination i.e.TSEAMCET.

III. Regular Two Year M.Tech. Programmes (15) and Three Year MCA Programme

- **Civil Engineering Department**
 - Structural Engineering
 - Geo-Technical Engineering
 - Transportation Engineering
- **Electrical & Electronics Engineering Department**
 - Power Electronics
 - Electrical Power Engineering
- **Mechanical Engineering Department**
 - Thermal Engineering
 - Advanced Manufacturing Systems
 - Engineering Design
 - Energy Systems
- **Electronics & Communications Engg. Department**
 - Digital Systems & Computer Electronics
 - Systems & Signal Processing
 - Embedded Systems
- **Computer Science and Engineering Department**
 - Computer Science
 - Computer Science & Information Engineering
 - Master of Computer Applications
- **Metallurgical Engineering Department**
 - Metallurgy

The admission to these M.Tech. courses is based on GATE / PGECET entrance examination and for MCA is through, TSICET entrance examination.

The admission to all these Regular M.Sc. programmes is based on University Entrance Examination-

IV Part Time Three year M.Tech./M.Sc. Programmes (15):

- Civil Engineering (Structural Engineering, Geo-Technical Engineering, Hydraulics & Water Resources Engineering, Transportation Engineering)
- Electrical & Electronics Engineering (Power Electronics & Industrial Drives, Electrical Power Engineering)
- Mechanical Engineering (Thermal Engineering, Advanced Manufacturing Systems, Engineering Design, Industrial Engineering and Management, Energy Systems)
- Electronics & Communication Engineering (Systems & Signal Processing)
- Computer Science & Engineering (Computer Science)
- Metallurgical Engineering (Industrial Metallurgy)
- Chemistry (M.Sc. Drugs & Pharmaceuticals)

The admission to all these Part Time M.Tech./M.Sc. (PTPG) programmes is based on entrance examination conducted by the University.

Vision of the Department

- The Department of Civil Engineering is committed to raise the intellectual tone of the young students in understanding and incorporating emerging technologies, with an objective of enhancing their competence by applying their proficiency and skill for infrastructure and economic development of the society.
- **Mission of the Department:**
 1. To strengthen the teaching tools in order to orient students to acquire necessary skills to perform in the field or to handle industrial projects.
 2. To enhance students into knowledgeable, responsible professionals, successful practitioners

and lifelong learners in emerging fields for the betterment of society.

3. To improve the quality of technological education through training, consultancy, research, and innovation.
4. To identify, evaluate and implement scientifically proven technological solutions.

Program Educational Objectives

PEO 1	To provide students with a solid foundation in mathematical, scientific and engineering fundamentals required to solve engineering problems and to pursue and to enroll in advanced studies
PEO 2	To Impart basic technical knowledge and skills in Civil Engineering and related fields to cater to the emerging technological needs of society.
PEO 3	To perceive the technical knowhow, adaptability and innovation in their work so as to pursue lifelong learning, and to be leaders, both in their chosen profession and in other activities.
PEO 4	To Provide expertise in carrying out civil engineering projects by using state-of-art of computing and experimental techniques to develop interdisciplinary approach.
PEO 5	To Train the student to possess good communication and presentation skills with ability to work in teams and contributing significantly to the technological development of the Nation.

Program Specific Out Comes

1. Understand the basics of Science, behavioural mechanics and engineering materials required for Engineering systems.
2. Survey, explore, analyse, formulate, design and manage complete Civil Engineering systems by incorporating socio-cultural and environmental needs
3. Develop social skills required for multidisciplinary and collaborative works
4. Train professionally to understand the ongoing field problems and their solutions.

1. List of Do's and Don'ts for Fresher's:

Do's :

- (i) Collect your Identity Card from the Academic Section.
- (ii) B.Tech Academic Regulations, course structure and detailed syllabus are available with the Chairman, Class Review Committee (1 Year).
- (iii) Get to know about fee payment schedules (Tuition fee, Examination fee and other fee), Academic Calendars, Time Tables for, Mid-Semester and End-Semester Examinations, Assignments, Results etc. from your instructors / syllabus book / College Notice Boards / Department Notice Boards / College website **www.jntuhceh.ac.in**
- (iv) Be regular and punctual to your Classes / Laboratories / Workshops and take active part in the proceedings.
- (v) Acquire the necessary outfit for Workshop, which is must for your safety. Proper and decent dressing is mandatory in the campus.
- (vi) Get to know your teachers, staff and senior students of the college as many of them as possible. Be courteous and respectful of them.
- (vii) Be in regular contact with:
 - (a) Your subject teachers
 - (b) Department Student Advisor, College Student Advisor, members of the faculty of your Department, Chairman (CRC), Placement Officer, Vice – Principal and Principal.

- (c) Deputy Registrar / Assistant Registrar (academic) / Academic Section for any information and assistance.
- (d) Give particulars of your local guardian in the Department office and Academic Section.

Don'ts :

- (viii) Don't be irregular to classes leading to shortage of attendance and result in detention (see regulations for more details)
- (ix) Failure in subjects may lead to shortage of credits and result in detention (see regulations for more details)

2. The following are available in the College Campus:

- (i) An Extension Counter of the Andhra Bank, where you can pay College, Hostel and Examination fees.
- (ii) A Library with a large collection of Text Books and Reference Books with a large collection of Scientific and Technical Publications, photo copying, e-mail and faxing facilities as well as a Work Processing Centre.
- (iii) 24x7 Centralized Computer Centre with Internet Facility
- (iv) Post Office with speed post facility

3. The following acts of indiscipline are seriously viewed and will call for disciplinary action.

- (i) Disorderly and obnoxious behavior with fellow students and the staff of the college.
- (ii) Recourse to unfair means in Examination / Tests.
- (iii) Taking part in unauthorized meetings.
- (iv) Inviting outside persons to the College without the permission of the concerned authorities.
- (v) Default in payment of fees and Hostel dues.
- (vi) Boycotting classes / Tests / Examinations or demanding postponement of Classes / Examinations / Tests.

(vii) Damaging or tampering with the properties and fittings in the College.

(viii) Mutilating / Stealing Library material.

(ix) Ragging and taking part in ragging.

Note : Ragging is a criminal offence and will be viewed seriously; offenders will be handed over to the Police and / or suspension from the college.

4. Rules to be observed for Admission to Engineering College Hostels, JNTU College of Engineering Hyderabad, Kukatpally, Hyderabad:

A Fresher seeking admission to the College Hostel must:

- (i) Be a non- resident of Hyderabad / Secunderabad.
- (ii) If there has been any discontinuity in education between Intermediate and B.Tech 1 year admission, a Gap Period Certificate, duly signed by a Government Gazetted Officer must be submitted along with the application for admission.
- (iii) Application form for admission should be submitted along with 4 passport size photos duly attested by the Head of the Department and the Principal of the College.
- (iv) The filled-in application form, with necessary certificates, should be submitted to the Principal JNTU Hyderabad College of Engineering, Kukatpally, Hyderabad.

5. The following code of conduct should be followed while residing in the hostel:

- (i) Do not keep excess cash in your room . Keep most of it either in the Post Office or in the Bank. Lock the door of your room securely. Do not leave your valuables on the table near the window.
