

**JNTUH College of Engineering Hyderabad**  
(Autonomous)

**R15 & R17**

**B.Tech. II year II Semester Supplementary Examinations, October-2020**  
(For Regular, IDP, IDDMP & IIDDMP Courses)

**Examination Time Table**

**Exam Time: 11.00AM to 01.00 PM**

Date	Civil	EEE	Mech.	ECE	CSE	Mett.	Chem. Engg.
21/10/2020	Strength of materials - II	Switching theory & logic design	Fluid mechanics & hydraulic machinery	Switching theory and logic design	Computer oriented statistical methods	Mechanics of fluids	Chemical technology
23/10/2020	Hydraulic & hydraulic machinery	Control systems	Thermal engineering - I	Control Systems	Design and analysis of algorithms	Metallurgical analysis	Organic chemistry
28/10/2020	Structural analysis - I	Power systems - I	Dynamics of machines	Electromagnetic theory and transmission lines	Formal languages and automata theory	Physical metallurgy	Chemical engineering thermodynamics - II
31/10/2020	Engineering geology	Electrical machines - II	Production technology	Analog communications	Software engineering	Metallurgical thermodynamics	Mechanical operations
3/11/2020	Environmental engineering	Electrical and electronic measurements	Instrumentation & control systems	Pulse and digital circuits	Operating systems	Principles of extractive metallurgy	Process heat transfer
5/11/2020	-	Human values and professional ethics	-	Human values and professional ethics	Human values and professional ethics	-	-

**Date: 28-09-2020**

**Sd/-**
