

JNTUH College of Engineering Hyderabad
(Autonomous)

R-15

B.Tech. IV year I Semester Supplementary Examinations, September -2021

(For Regular Courses)

Examination Time Table

Exam Time: 10.00 AM to 01.00 PM

Date	Civil	EEE	Mech.	ECE	CSE	Mett.	Chemical Engg.
7/9/2021	-	Power System Operation and Control	Refrigeration & Air Conditioning	VLSI Design	Network Security & Cryptography	Electro Metallurgy & Corrosion	Chemical Engineering Plant Design & Economics
9/9/2021	Foundation Engineering	Digital Signal Processing	-	Microwave Engineering	Grid and Cloud Computing	-	Transport Phenomena
13-09-2021	Professional Elective - III Water Resources Engineering – II ----- Traffic Engineering	Professional Elective - III Reliability Engineering	-	Professional Elective - III Artificial Neural Networks	Professional Elective - III Mobile Computing	-	Professional Elective - III Membrane Technology
15-09-2021	Professional Elective - IV Remote Sensing & GIS	Professional Elective - IV Artificial Neural Network & Fuzzy Systems	Professional Elective - III Finite Element Methods	Professional Elective - IV Embedded System Design ----- Satellite Communications	Professional Elective - IV Adhoc and Sensor Networks	-	Professional Elective - IV Energy Engineering

17-09-2021	Professional Elective - V Ground Improvement Techniques	Professional Elective - V Static Electric Drives	-	Professional Elective - V Radar Systems	Professional Elective - V Web Mining	Professional Elective - V Ceramics and Composite Materials	Professional Elective - V Process Intensification ----- Chemical Process Optimization
