

**JNTUH UNIVERSITY COLLEGE OF ENGINEERING, HYDERABAD  
(AUTONOMOUS)**

**M.Tech (Day Time) III Semester Regular Examinations, JANUARY-2023**

**REVISED EXAMINATION TIME – TABLE**

**Exam Time: 02.00 PM to 05.00 PM**

S.No	Branch	Name of the Subjects	
		25-01-2023	27-01-2023
1	<b>Structural Engineering</b>	Green Building Technology	Earthquake Resistant Design of Buildings
2	<b>Geo Technical Engineering</b>	Data Analytics	Geo-TechnicalEarthquake Engineering
3	<b>Transportation Engineering</b>	Green Building Technology	Disaster Analytics
4	<b>Power Electronics</b>	Photo voltaic Systems	Flexible AC Transmission Systems
5	<b>Electrical Power Engineering</b>	Green Building Technology Photo voltaic Systems Data Analytics	Flexible AC Transmission Systems
6	<b>Thermal Engineering</b>	Production Operation Management Composite Materials	Equipment Design for Thermal Systems
7	<b>Advanced Manufacturing Systems</b>	Green Building Technology Photo voltaic Systems Production Operation Management Composite Materials	Design for Manufacturing and Assembly
8	<b>Engineering Design</b>	Green Building Technology Data Analytics Production Operation Management Composite Materials	GeoMetric Modelling
9	<b>Energy Systems</b>	Green Building Technology	Smart Grid Technologies
10	<b>Digital Systems &amp; Computer Electronics</b>	Green Building Technology Photo voltaic Systems Production Operation Management	System Design Aspects of IOT
11	<b>Systems &amp; Signal Processing</b>	Green Building Technology Data Analytics	System Design Aspects of IOT
12	<b>Embedded Systems</b>	Green Building Technology Data Analytics Photo Volitaic Systems	System Design Aspects of IOT
13	<b>Computer Science</b>	Photo voltaic Systems composite Materials Green Building Technology Data Analytics	Digital Forensics
14	<b>Cyber Forensic And Information Security</b>	Green Building Technology Production Operation Management	Securtiy in 5G Technology
15	<b>Metallurgy</b>	Composite Materials Data Analytics Green Building Technology	Surface Engineering
