## ABOUT AYAS:-

Ayas, a national level technical symposium series, which was started in 2006, is now successful in bringing academia and technology together. It is a magnificent platform to showcase your technical skills.

## ABOUT COLLEGE:-

Jawaharlal Nehru Technological university has an environment of academics excellence with 'A' Grade accreditation by 'NAAC'. Besides academic activities, the college is conducting extensive research activities and offering industrial consultancy services.

## ABOUT DEPARTMENT:-

The Department Of Metallurgical Engineering was established in 1989. It has been helping to build many ambitious careers, pioneering advances in engineering technology since its inception and helping students find their path under the guidance of highly regarded faculty. It also received accreditation from the 'NBA' recently.

## EVENTS:-

- 1.PAPER & POSTER PRESENTATION
- 2.TECHNICAL QUIZ
- 3.TREASURE HUNT
- 4.PAINTING COMPETITION
- 5.GENERAL QUIZ
- 6.CULTURALS
