At present, the department is offering B.Tech Regular, Integrated Dual Degree Programme, M.Tech Regular and part time. Besides academics, the department is active in offering research, Industrial Consultancy Services to various organisations, expert advices, social and community services which are very much required for the overall development of nation.

EVENTS

PAPER PRESENTATION

An Event where participants are required to make paper about a certain topic or area and then present it in front of a jury.

MODEL EXHIBITION

Students are expected to create a three-dimensional model of a design using different materials. The model may be a simple replica of any design.

CAD CONSTRUCTO

An amazing platform to showcase your talent for drawing using AUTOCAD. A plan is given and the students are expected to complete the drawing in the specified time period.

TECHQUIZ

It is a game which can also be called a mind sport where in the players play, either as individuals or in teams attempt to answer questions posed to them correctly, in order to win a prize.

LOGIQ

A common aptitude quiz with no prior knowledge or training is conducted to help the students determine their potential to succeed in a certain task.

BUILD IT ON THE SPOT

The participant should build something using the materials and equipments provided by us, there may be a time limit. Out of all entries the best will be awarded the winner.

PREAMBLE

“STHAPATYA ” is a National Convention of Civil Engineers organised by students of Department of Civil Engineering, JNTUHUCESTH, STHAPATYA 2023 is a platform of future Civil Engineers to expand their horizon. The idea is to encourage the students all over the country to share their technical knowledge.

TO THE SPONSOR

The Event ensures national wide coverage of all colleges and universities. It is a golden opportunity for corporate to establish their image in the minds of students. This event provides platform for the students and the sponsors to come together. We should also be assisting the sponsors to come strategically advertising in order that the gains incurred through their co-operation in the event are maximized. The organisers of STHAPATYA 2023 would always be open to suggestions from sponsors. We believe that even sponsor should be richly rewarded the experience. We look forward to your active co-operation and participation in organizing STHAPATYA 2023.

The Sponsorship shall be given through crossed DD/Cheques, NEFT & RTGS in the favour of STHAPATYA 2020 or by online transfer to the account
