M.Tech (Day Time) I Semester Supplementary Examinations, August, 2014

EXAMINATION TIME – TABLE

S.N	Branch	Name of the Subjects						
0		01//9/2014	03/09/2014	05/09/2014	09/09/2014	11/09/2014	15/09/2014	
		Monday	Wednesday	Friday	Tuesday	Thursday	Monday	
II 1	Structural Engineering	Adv. Concrete Technology	Theory of Elasticity and Plasticity	Analysis of Plates & Shells	Advanced Reinforced concrete Design Advanced Reinforced concrete Design (2012 Batch)	-	Advanced Structural Analysis	
11 フ	Infrastructure Engineering	Adv. Concrete Technology Adv. Concrete Technology (2012 Batch)	Geo-Techniques for Infrastructure Geotechnics for infrastructure (2011 & 2012 Batch)	Construction Management-I	Water Resources Planning & Management	Computer Oriented Numerical Methods	Advanced Structural Analysis	
II 3	Geo Technical Engineering	-	Adv. Foundation Engineering Adv. Foundation Engineering (2012 Batch)	Advanced Soil Mechanics Advanced Soil Mechanics (2012 Batch)	Numerical Methods for Geo-Tech. Engineering	Geo- Environmental Engineering	Engineering of Ground

		Monday	Wednesday	Friday	Tuesday	Thursday	Monday	
4	Transportation Engineering	-	Urban Transportation Policy & Planning for sustainable Development		Remote Sensing & GPS Transport Engineering	Pavement Material Characterization	-	
5	Urban Transportation Engineerin	-	Urban Transportation Policy & Planning for sustainable Development		Remote Sensing & GPS Transport Engineering	-	-	
6	Power Electronics	Machine Modeling Analysis	High Voltage DC Transmission	Modern Control Theory Modern Control Theory (2012 Batch)	Solid State Power Converters-I	-	Renewable Energy Systems	
7	Electrical Power Engineering	-	High Voltage DC Transmission	Modern Control Theory Modern Control Theory (2012 Batch)	Advanced Power system Protection	High Voltage Engineering	-	
8	Engineering Design	Mechanical Behavior of Engineering Materials	Computer Aided Manufacturing	Advanced Mechanics of Machinery	-	Geo-Metric Modeling	-
